Definition of Terms

AA General Education Requirement: Courses which satisfy general education requirements for the associate degree.

Academic Renewal—A process to have previous substandard college work (grades and credits) excluded from computation of the cumulative grade point average.

Academic Year—Fall and Spring semesters.

Add—Officially enrolling in a course.

Advisory On Recommended Preparation—A condition of enrollment that is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Assessment/Placement Tests—Tests given prior to registration for classes. The results are used to help students select appropriate classes.

Associate Degree (A.A. or A.S.)—A degree (Associate in Arts or Associate in Science) granted by a community college which recognizes a student's satisfactory completion of an organized program of at least 60 semester units including the major and general education requirements.

Baccalaureate Courses—Courses whose department number is 69 or below, e.g. English 1A; Math 36; Biology 11.

Bachelor's Degree (B.A., A.B., or B.S.) A baccalaureate degree granted by a four-year college or university which recognizes a student's satisfactory completion of an organized program of study consisting of at least 120 semester units.

Bailment—To hold in trust for another for a special purpose and for a limited period of time. In terms of parking, the money charged is for the service of allowing one to park on campus, not to hold and protect the property or vehicle.

California Articulation Number (CAN)—Identifies courses that may be used in lieu of others. For example, CAN BUS 2 at San Joaquin Delta College, will be accepted in lieu of a course that is designated as CAN BUS 2 at another campus. More than 70 San Joaquin Delta College courses carry a CAN designation. For additional information, ask to see the CAN CATALOG OF COURSES in the Counseling Office.

Many other San Joaquin Delta College courses are articulated with four year institutions. Check for additional articulation in the Counseling Office.

Catalog Rights—The privilege of retaining course and program requirements needed for graduation as listed in the catalog at the time of initial enrollment in college.

To retain catalog rights, a student must maintain continuous enrollment through the completion of requirements for graduation.

Continuous enrollment is defined as earning college credit in at least one semester during an academic year without interruption of progression. Requests for a leave of absence must be approved by the Vice President of Student Services in advance of the term for which absence is anticipated.

Certificate—A certificate granted by a community college which recognizes a student's satisfactory completion of an organized program of vocational study.

Class Section—A specific course code number as identified in the class schedule.

College Work Study (CWS)—A program of federal aid which provides funds for student jobs.

Community Service Class Non-College Credit—Fee based classes offered through the Community Services Program.

Corequisite—A condition of enrollment consisting of a course that a student is required to take simultaneously in order to enroll in another course.

Course—A series of lectures, laboratories, or other media providing instruction on a specific subject.

Course Description—Brief statement about the content of a particular course.

Credit—Refers to the units earned by completing a course.

Credit by Examination—Course or unit credit granted for demonstrated proficiency in a given area as determined by examination.

Credit/No Credit—A grading system by which units of credit may be earned but no letter grade is assigned. Such units are not used in computing the grade point average. The credit/no credit grading option should not be confused with non-credit courses.

CSU—California State University System

CSU General Education Requirement—Courses which satisfy general education breadth requirements for California State Universities.

Degree—A diploma granted by a college stating that the student has successfully completed a course of study in a specific field. The most common degrees are:

- 1) A.A. - Associate in Arts;
- 2) A.S. - Associate in Science
- 2) B.A. - Bachelor of Arts;
- 3) B.S. - Bachelor of Science.

Disabled Student Service—A support service offered through Disabled Student Programs and Services to facilitate equal access for students with a documented disability.

Dismissal—A situation caused by unsatisfactory low academic or progress performance, misconduct, or poor academic progress in which the student may not continue at the college without approval for readmission.

Drop—Officially withdrawing from a course, but remaining enrolled in college.

Elective—A course which is not required for a major or for general education but is acceptable for credit. An elective course may be in any area of study.

Full-time Student—A student enrolled in twelve or more course units in a regular semester or four or more units during the summer intersession.

General Education Requirements—A group of courses required to earn a degree which provide a broadly based education.

Good Standing—A student whose grade point average and cumulative grade point average is a C (2.0) or better and has a course completion ratio of over 50%.

Grade Point—A=4, B=3, C=2, D=1, F=0

Grade Point Average (G.P.A.)—An overall level of academic achievement used as a measure in making decisions regarding good standing, probation, disqualification, and dismissal, eligibility for graduation, and transfer to four-year institutions. The grade point average is derived from the following unit system:

- A = 4 grade points per unit
- B = 3 grade points per unit
- C = 2 grade points per unit
- D = 1 grade point per unit
- F = 0 grade points per unit

The G.P.A. is calculated by dividing the total number of grade points received by the number of units attempted.

Hour—Same as credit, credit unit, unit (See Credit).

IGETC: Intersegmental General Education Transfer Curriculum is a series of courses that Delta College students may use to satisfy lower division general education requirements at any CSU and most UC campuses. All coursework applicable to the IGETC must be completed in order to be accepted by CSU and UC. The IGETC will probably be most useful for students who want to keep their options open before making a final decision about transferring to a particular CSU or UC campus.

Independent Study—Individual study in areas not covered by a regular course.

Intersession—A period between the fall and spring semesters.

Limitations on Enrollment—A condition of enrollment which limits how students qualify for a particular program. Limitations apply to courses that include public performance or intercollegiate competition where a tryout or audition is necessary. Some courses require formal admission to a particular program in order to enroll (e.g. Associate Degree Nursing and Licensed Vocational Nursing programs, Post Academy).

Lower Division—Courses at the freshmen and sophomore level of college. A four year college/university major.

Major—An organized program of courses within a discipline leading to an associate degree or vocational certificate.

Matriculation—A process which brings a college and a student who enrolls for credit into an agreement for the purpose of realizing the student's educational objective. Primary components of matriculation are assessment, orientation, and counseling of new non-exempt students. The following students will be exempted from the matriculation process:

- 1) Students who have completed an associate degree or higher;
- 2) Students who seek to enroll in non-credit courses only.

Non-credit Course—Courses numbered 100 or above which grant no college credit or student grades. A non-credit course should not be confused with the credit/no credit grading option.

Open Entry—A course(s) which may be added anytime to a program of study throughout the semester.

Open Exit—A course(s) which may be completed upon fulfillment of course requirements at any time during the semester.

Prerequisite—A condition of enrollment a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program.

Probation—A period of time in which a student is conditionally enrolled contingent upon either improvement of scholastic achievement, improvement of course completion ratio, and/or conduct compliance.

Program Changes—Adding or dropping classes to the original program.

Registration—The process of selecting and enrolling in classes and paying the required fees.

Schedule of Classes—A publication used during registration, providing the subject, description of course, course number, course title, units, time, instructor and location of classes offered.

Semester—A term of the academic year— Fall and Spring, each lasting approximately eighteen weeks.

Student Educational Plan (SEP)—Requirements a student must meet and the courses, programs, and services required to achieve the stated goal. The SEP is developed by the student and counselor.

Student Load—The number of course units in which a student enrolls in any given term. Full time status equals 12 or more units.

TBA—(To be announced/arranged—TBA) A notation in the Schedule of Classes indicating when the time of a class may be arranged independently or that the location is to be announced.

Transcript—An official document of courses taken by the student showing the final grade received. Official transcripts must bear a seal of the college and the signature of a designated college official.

Transfer—Changing enrollment from one college to another after meeting the requirements for admission to the second institution.

Transfer Course—A course acceptable for credit from one college to another.

Units—A measure of college credit based on one unit for each lecture hour per week or for every two to three laboratory hours per week.

Units Attempted (UA)—Total number of units in which a student has enrolled.

Units Completed (UC)—Total number of units for which a student has received a grade of A, B, C, D, or F or Credit/No Credit.

U.C.—The University of California System

Upper Division—Courses or classes intended for the junior and senior years of college.

Variable Units—The range of units which may be earned in a given course (e.g. 1-3 units).

Withdrawal From College—Officially withdrawing from college.

Ausencia de Discriminación

De acuerdo con la legislación de los derechos civiles, San Joaquin Delta College provee servicios y beneficios a sus estudiantes sin hacer caso de raza, color, origen nacional, sexo, edad o a cualquier impedimento. La falta de habilidad con el inglés no será obstáculo a la admisión ni a la participación en los programas de educación vocacional.

(Títulos VI y VII del Acto de Derechos Civiles de 1964; Título IX de las Enmiendas de Educación de 1972; las Secciones 503 y 504 del Acto de Rehabilitación de 1973)

Apprenticeship

San Joaquin Delta College provides related courses of instruction in accordance with the California Apprenticeship Law. Courses cover related and supplemental instruction in related technical areas of the trades and are intended to complement the skills learned on the job. Information on how to become an apprentice may be obtained from the Division of Apprenticeship Standards, Don Simonich, P.O. Box 213030, Stockton, CA 95213-9030 or San Joaquin Delta College, Apprenticeship Office, Holt Center 140, 5151 Pacific Avenue, Stockton, CA, 95207. Phone: 954-5236.

The following is a list of apprenticeship related training courses offered at Delta College.

Auto Mechanics	Maintenance Mechanic
Body and Fender Repair	Mechanical Maintenance
Civil Maintenance	Mill Cabinet
Diesel Technology	Painting and Decorating
Electrical	Plant Operator
Electrical Maintenance	Plumbing and Pipefitting
Machinist	

2+2 Articulated Courses

Students who have completed articulated courses in high school may receive college credit and advanced placement at San Joaquin Delta College. The College is committed to comprehensive articulation of instructional programs with both secondary and postsecondary educational institutions, usually referred to as "2+2+2" articulation. The "2+2" articulation links the high school program, adult school and ROP with San Joaquin Delta Community College programs. These articulated programs lead to an associate degree. The "2+2+2" articulation adds a four-year college or university program leading to a baccalaureate degree where appropriate.

The articulation process is a system designed to help students

to advance from one course, program, or educational level to the next without unnecessary repetition of essentially similar courses for which credit has been received.

If you have taken any of the courses on the following list, you may wish to exercise your right to obtain college credit and advanced placement by contacting the principal at your high school to request a "San Joaquin Delta College/Secondary School Application for College Credit" (Procedure 6298) before or at the time of registration.

If you have any questions, please contact the Articulation Officer at (209) 954-5046.

Cooperative Work Experience Education

Delta College recognizes the value of learning experiences that enhance formal college studies. A student may earn (elective) units towards an A.A. degree for on-the-job employment experience if they are also enrolled in a course directly related to their employment. Students must be enrolled in at least seven units of course work including Work Experience units. Students enrolling in summer intersession must be enrolled in one course directly related to their employment (no minimum unit requirement).

Cooperative Work Experience Education is supervised employment, extending classroom based occupational learning to on-the-job experience. The student may qualify by using either the **Parallel** or the **Alternate Plan**.

1. **Parallel Plan:** Specifically designed for students who are working and attending classes during the same semester. Up to 4 units of Work Experience credit may be earned per semester. The combined total number of units a student may take in internship, work experience, and occupational practice may not exceed a maximum of 16 units.
2. **Alternate Plan:** Specifically designed for students who attend classes full time one semester (7 or more units) and work full time the next semester. Up to 8 units of Work Experience credit may be earned per semester. The combined total number of units a student may take in internship, work experience, and occupational practice may not exceed a maximum of 16 units.

Students must be enrolled in the Work Experience program by the census date for full term classes for each semester. The class code numbers are available only from the Internship/Work Experience office. For more information, contact the Internship/Work Experience office, Holt Center 140, or phone 954-5269.

Developmental Education

The purpose of Developmental Education is to provide courses that will assist students in mastering the basic skills necessary for them to continue their education. The instructional program includes basic, developmental and advanced courses in reading, writing, study skills, English as a Second Language, and mathematics. These courses are supported by laboratory experiences of individualized, self-paced practice. Six laboratories are available with materials, media, and tutorial assistance to help students improve their skills. The laboratories include the Center for Academic Progress, the Writing Laboratory, the English as a Second Language Laboratory, the Learning Disabilities Laboratory, the Basic Skills Math Laboratory, and the Tutorial Center. See Developmental Education, English, and Learning Disabilities sections of the COLLEGE CATALOG for course descriptions.

Internship Program

Delta College recognizes the value of learning experiences that enhance formal college studies. A student attending Delta College may earn units towards an A.A. degree and transfer for an internship with business or industry if they are also enrolled in a course directly related to their internship. Each student shall be engaged in a specific research project or on-the-job learning activities under the supervision of a worksite supervisor and college internship instructor. Students must be enrolled in at least seven units of course work including Internship units. Students enrolling in summer intersession must be enrolled in one course directly related to their employment (no minimum unit requirement).

Internships extend classroom based occupational learning to work-based learning activities at the work site. The student may qualify by using either the **Parallel** or the **Alternate Plan**.

1. **Parallel Plan:** Specifically designed for students who are working and attending classes during the same semester. Up to 4 units of Internship credit may be earned per semester. The combined total number of units a student may take in internship, work experience, and occupational practice may not exceed a maximum of 16 units.
2. **Alternate Plan:** Specifically designed for students who attend classes full time one semester (7 or more units) and enroll in an internship the next semester. Up to 8 units of Internship credit may be earned per semester. The combined total number of units a student may take in internship, work experience, and occupational practice may not exceed a maximum of 16 units.

Students must be enrolled in the Internship program by the census date for full term classes for each semester. For more information, contact the Internship/Work Experience office, Holt Center 140, or phone 954-5269.

Business Information Mgt	Ornamental Horticulture
Business and Accounting	Printing Technology
Computer Science	Reading

Learning Disabilities Program

Students qualifying for the Learning Disabilities program may enroll in these courses which provide specialized small group instruction in reading, spelling, vocabulary and study skills. Individual prescriptions are based on assessment and diagnosis for the specific needs of each student. The program also serves as a support service and provides reinforcement to help students meet performance expectations in basic skills, vocational and academic courses.

Non-Discrimination

In accordance with the requirements of the Civil Rights Act, San Joaquin Delta College provides services and benefits to students regardless of race, color, national origin, sex, age or handicap. The lack of English language skills will not be a barrier to admission and participation in vocational education programs.

(Title VI and VII of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 503 and 504 of the Rehabilitation Act of 1973, as amended.)

Notice On Validation Of Skills Requisites

During 1998-99, San Joaquin Delta College will undertake a study to evaluate the validity of skills requisites and skills co-requisites in a number of courses offered at the institution. The study involves the removal of basic skills requisites in reading, composition, and mathematics that have been in place for several years. As always, students are encouraged to carefully evaluate their own skills, ability, motivation, and the nature of the classes under consideration.

Prerequisites, Corequisites, Limitations on Enrollment*

DECLARING EQUIVALENCY

Any student who does not meet a courses pre or corequisite, but who believes that he/she has completed the equivalent of the course at another institution or through some other means, may seek entry into a class by filing a *Petition for Declaration of Equivalence*. The student will be allowed to enroll in the courses pending the disposition of the petition. These petitions are available in Holt Center 101.

CHALLENGING PRE/COREQUISITES

A student may challenge a pre/corequisite by obtaining a petition from the Office of Admissions, Holt Center 101. The completed petition, along with supporting documentation should be submitted to Holt Center 101 and will be reviewed by the Matriculation Appeals Committee. The Committee's decision is final.

Grounds for Challenge

Of specific pre/corequisites:

- The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.
- The pre/corequisite has not been established in accordance with regulation or the District's approved policy.
- The pre/corequisite is unlawfully discriminatory or applied in a discriminatory manner.
- The pre/corequisite has not been made reasonably available and it has caused the student an undue delay in achieving educational goals.

Of limitations on enrollment:

The student seeks to enroll and has not been allowed to enroll due to a limitation on enrollment established for a course that involves intercollegiate competition or public performance, or other conditions limited to a cohort of students. The student shall be allowed to enroll if otherwise he or she would be delayed by a semester or more in attaining the associate degree or certificate specified in his or her Student Educational Plan (SEP).

Of health and safety pre/corequisites:

The student seeks to enroll in a course which has a pre/corequisite established to protect health and safety, and the student demonstrates that he or she does not pose a threat to himself or herself or others.

Appeals Process

- For challenges concerning academic qualifications (declaring equivalency):
 - The student shall submit a petition to the appropriate division chairperson.
 - The division chairperson shall make a determination in consultation with the appropriate faculty.
 - If the student is dissatisfied with the decision of the division chairperson, a request may be made to the division chairperson for review by the Matriculation Appeals Committee.
- For challenges based on non-academic grounds:

Students should submit petitions and supporting documentation directly to the Matriculation Appeals Committee.
- The Matriculation Appeals Committee shall judge the relevancy of evidence and make its findings and recommendations for the disposition of the petition. The decision of the Committee shall be final.

Petitions and Documentation

- All petition forms may be picked up and submitted to the Admissions and Registration Office, Holt Center 101.
- Students are responsible for providing completed petitions and all supporting documentation.

* For Definitions, please see Definition of Terms, pages 21-22.

Reading, English Composition Requirements

English Composition

Students with a declared goal of an associate degree or transfer program must enroll in an English composition course after they complete six units of AA degree appropriate or transfer courses. Placement in English composition is dependent upon appropriate test scores or course prerequisites.

Reading

Students who score Level I in reading may enroll in any course designated as exempt from assessment. Students who score Level I in reading and wish to enroll in a course with a corequisite of reading must enroll in reading (See below for appropriate reading classes.) Students who score Level I in reading and wish to enroll in a course with a prerequisite of reading level II must reach Level II before they will be allowed to enroll.

English

As A Second Language

ESL students who do not have a United States of America high school diploma and foreign students will be placed based upon an ESL assessment. ESL students who do have a United States of America high school diploma may either use the ESL assessment or the reading section of the assessment/placement assessment and the reading requirements at the left.

COMPOSITION

<p style="text-align: center;"><u>Level III</u> ENG 1A</p>		
<p style="text-align: center;"><u>Level II</u> ENG 79 (Prepares for entry into ENG 1A and Satisfies the associate degree requirement.)</p>	READING	ESL (Fulfills the Reading requirement)
<p style="text-align: center;"><u>Level I</u> ENG 87</p>	<p style="text-align: center;"><u>Level I</u> READ 98G, H, I, J or READ 90E, F READ 90C, D READ 90A, B</p>	<p style="text-align: center;"><u>Level I</u> ENG 86 G, H, I, J ENG 85 program ENG 84 program ENG 83 program ENG 82 program ENG 80/81 program</p>

Level II and III courses are associate degree appropriate. Level I courses do not count toward the associate degree. Any level may be challenged by taking the appropriate challenge test or applying for review through the appeal process. Appointments for challenge tests may be arranged through the Assessment Center in Shima Center 144, telephone 954-5535. Appeals may be made through Admissions and Records, Holt Center 101.

Special Education Program

The curriculum offered in Special Education has been designed to provide parents, professionals, paraprofessionals, potential special educators, and other interested persons with an opportunity to develop a basic understanding and some specific skills related to serving people with special needs.

The non-credit classes have been designed specifically for students with disabilities.

Special Education courses are offered through the Disabled Student Program and Services located in Cunningham Center 120. Call: 954-5330 (V/TDD).

TRANSFER MAJOR REQUIREMENTS

This section includes the specific requirements for transfer to four year colleges and universities. Delta College offers lower division transfer courses to meet the requirements for most baccalaureate majors offered by accredited colleges and universities in the United States. Students should consult a counselor or academic advisor to be certain they enroll in courses to meet the freshman and sophomore level requirements of the college or university of their choice. Most of the transfer students from Delta College are planning to attend either the California State University (CSU), the University of California (UC), or a college or university in the private sector.

CALIFORNIA STATE UNIVERSITY (CSU)

Completion of the CSU General Education Certification Course Pattern will meet the General Education-Breadth Requirements of the CSU. Students will need to have the general education certified prior to transfer to the CSU. Students who have attended other colleges are urged to meet with a counselor or academic advisor for help on satisfying General Education-Breadth Requirements. Students are advised that these are the minimum requirements and individual CSU campuses have the authority to add to the General Education-Breadth Requirements. Students should consult a counselor or academic advisor for additional information.

* CSU Pattern — (see page 33)

MESSAGE FOR STUDENTS PLANNING TO TRANSFER TO THE CALIFORNIA STATE UNIVERSITY SYSTEM AT JUNIOR STANDING

The California State University System has notified all California Community Colleges of its intent to enforce its policy pertaining to students who intend to transfer to any CSU campus at junior standing. The Chancellor of the California State University has stated that the California State University Trustees have directed CSU campuses to come into compliance with existing CSU policy that permits the admission only of those junior and senior transfer students who are eligible to enter the CSU directly out of high school or who have completed GE-Breadth requirements in English language (at least 9 semester units) and mathematics (typically 3 semester units).

It is important that Delta students be aware of the requirements as, in some cases, students may need a semester or two to take the prerequisite courses necessary to enroll in general education mathematics courses. If you plan to transfer to the CSU, please note the following requirements. Check with a counselor if you have any questions about your individual transfer status.

Students who plan to enroll at a CSU campus, and who did not meet first-time freshman admission requirements at high school graduation, are required to complete the following to meet junior standing at transfer: a grade-point average of 2.0 or better in a minimum of 56 transferable semester units; within the minimum 56 transferable semester units, a minimum of 39 semester units selected from CSU's General Education-Breadth requirements or the Intersegmental General Education Transfer Curriculum (IGETC) with a grade of "C" or better in each course; and the completion of the Communication in the English Language and Critical Thinking and Mathematics requirements of the CSU General Education pattern or communication and mathematics requirements of the IGETC pattern, whichever you have chosen to follow.

The English, Oral Communication, and Critical Thinking requirements may be satisfied as follows:

- (CSU) English 1A, **And** Speech 1A, **And** English 1B, 1D or Philosophy 30
- (IGETC) English 1A, **And** Speech 1A, **And** English 1D

The Mathematics requirement may be satisfied as follows:

- (CSU) Any one of the following courses: Mathematics 1, 2, 10, 12, 13, 17A, 20, 30, 31, 36, or Psychology 12
- (IGETC) Any one of the following courses: Mathematics 1+, 2, 12, 13+, 20, 36, or Psychology 12
+Transfer credit may be limited by CSU or UC or both.

Check your transfer eligibility with a counselor, or refer to the CSU General Education pattern or the IGETC pattern in the Fall 1998 [Schedule of Classes](#) or the [1998-99 College Catalog](#) for specific course requirements.

INDEPENDENT COLLEGES AND UNIVERSITIES

California's fully-accredited independent colleges and universities provide many options at the undergraduate, graduate, and professional levels for students planning to continue their education beyond the community college.

Although admissions requirements vary and are listed in the catalogs of the various universities and colleges, students who transfer to independent colleges and universities can be given credit for most, if not all, of their community college work. Most colleges and universities give full credit for general education courses and for most other courses designed by the community college for transfer. Since each independent college and university has different requirements it is important to see a counselor or academic advisor for proper course planning and transfer information.

Additional information on transfer opportunities is available in catalog form in the Transfer Center (Danner 202) and the Counseling and Guidance Office (Danner 205). Also, representatives from other colleges and universities visit San Joaquin Delta College on a regular basis. For more information, contact the Counseling and Transfer Center staff in the above locations.

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

Completion of the IGETC will permit a student to transfer from Delta College to a campus in either the California State University (CSU) or University of California (UC) system without need, after transfer, to take additional lower-division, general education course requirements. It should be noted that completion of the IGETC is not a requirement for transfer to CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of CSU or UC prior to transfer. Students pursuing majors that require extensive lower-division preparation may not find the IGETC option appropriate to follow.

Students who plan to transfer to campuses of the California State University system or University of California system are reminded to request certification of their general education courses during the last semester or summer session of attendance and after acceptance to the university. Failure to complete full certification will cause courses to be reviewed differently at each campus. Applications are available in the Evaluations Office, Holt Center 101. Students must adhere the following requirements to be certified:

- * For students with course work completed at other campuses, the campus of last attendance prior to transfer to CSU or UC will certify the course work. For Delta College to certify this course work an official transcript from each college attended must be on file in the Evaluations Office. Courses taken at other California community colleges will be placed in the IGETC pattern identified by the offering college. Courses taken at other regionally accredited institutions will be placed in the subject areas for which SJDC has equivalent courses. Equivalency is determined by SJDC evaluators or by SJDC faculty teaching the course.
- * Course descriptions from prior colleges must accompany request for IGETC certification.
- * Courses completed at foreign institutions are not acceptable except for certification of competence in a language other than English.
- * Students requesting IGETC certification must have all official transcripts on file from every high school and college attended prior to requesting certification.

* IGETC Pattern — (see page 34)

This section describes requirements for graduation with an associate degree. Students may pursue graduation requirements concurrently with transfer and/or certificate programs.

Important Notice: Students are encouraged to see a counselor or academic advisor regarding program planning to assist in the successful completion of academic goals within the earliest possible time frame. Counselors and advisors are familiar with requirements for each major instructional area and can assist in planning courses to meet more than one graduation, transfer, or certificate requirement.

SAN JOAQUIN DELTA COLLEGE

Associate Degree

General Education Pattern

Each candidate for San Joaquin Delta College’s Associate in Arts degree or Associate in Science degree shall complete no fewer than a total of twenty-four (24) semester units of course work among categories I through V. Courses which would satisfy the major area requirement and general education course requirement may be used to meet either of the requirements, but not both.

NOTICE TO STUDENTS

Selection of courses from this list may be affected by one or more factors, including choice of major, university transfer requirements, or prerequisite or sequencing requirements. Failure to plan appropriately WILL adversely affect timely graduation and/or transfer. Students are encouraged to see a counselor or academic advisor in developing an individual education plan. (Counseling Office, Danner Hall 205, (209) 954-5650).

CALIFORNIA STATE UNIVERSITY and COLLEGE

General Education Pattern

Each candidate for the bachelor's degree from a California State University (CSU) institution shall complete a pattern of general education courses which total a minimum of forty-eight (48) semester units. A student may take a maximum of thirty-nine (39) of the forty-eight (48) units at San Joaquin Delta College toward meeting the CSU general education requirement. The San Joaquin Delta College forty-two (42) unit requirement allows students to meet both the CSU General Education pattern and the CSU's 40404 requirement for American History and Institutions.

Students completing the CSU general education pattern will meet the general education requirements of San Joaquin Delta College's associate degrees.

<p>A. COMMUNICATION IN THE ENGLISH LANGUAGE AND CRITICAL THINKING: A minimum of nine units is required to include one course from each group. (Continued next column)

NOTICE TO STUDENTS

Selection of courses from this list may be affected by one or more factors, including choice of major, university transfer requirements, or prerequisite or sequencing requirements. Failure to plan appropriately WILL adversely affect timely graduation and/or transfer. Students are encouraged to see a counselor or academic advisor in developing an individual education plan. (Counseling Office, Danner Hall 205, (209) 954-5650).

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

General Education Pattern

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) permits students to transfer from San Joaquin Delta College to a campus of either the California State University or the University of California without the need after transfer to take additional lower division general education courses to satisfy the campus' general education requirements. Students may also opt to fulfill the general education requirements by completing the specific lower division general education requirements of the school or college of the campus to which the student intends to transfer.

Both the California State University and the University of California have a specific American Institutions requirement that is separate from their general education requirements. Completion of the Intersegmental General Education Transfer Curriculum will not satisfy the American Institutions requirement. Courses used to satisfy the American Institutions requirement may not be counted to satisfy either of the Humanities (area 3) or a Social and Behavioral Science (area 4) requirement.

Students completing the IGETC general education pattern will meet the general education requirements for San Joaquin Delta College's associate degrees.

LIST OF COURSES BY IGETC SUBJECT AREA:

<p><u>AREA 1 — COMMUNICATION</u> (3 courses, 9 semester units)</p> <p>GROUP A: ENGLISH COMPOSITION (1 course, 3 semester units)</p> <p>ENG 1A</p> <p>GROUP B: CRITICAL THINKING — ENGLISH COMPOSITION (1 course, 3 semester units)</p> <p>ENG 1D</p> <p>GROUP C: ORAL COMMUNICATION (1 course, 3 semester units) Students transferring to UC do not have to meet the Oral Communication requirement.</p> <p>SPCH 1A</p> <hr/> <p><u>AREA 2 — MATHEMATICAL CONCEPTS and QUANTITATIVE REASONING</u> (1 course, 3 semester units)</p> <p>MATH 1+, 2, 12, 13+, 20, 36 PSYCH 12</p>	<p><u>AREA 3 — ARTS and HUMANITIES</u> (At least 3 courses, 9 semester units) At least one course from the Arts and one from the Humanities.</p> <p>ART COURSES: ART 1A, 1B, 2, 3+ DRAMA 10, 16A, 16B MUSIC 1+, 2A+, 2B+, 4+, 8</p> <p>HUMANITIES COURSES: ANTHR 4 CAM 2*+, 3*, 4* CHIN 2*+, 3+*, 4+* CIVIL 3 ENG 35A, 37, 38, 39, 40A, 40B, 41, 42A, 42B, 43A, 45, 46A, 46B, 48A, 49 FREN 2*+, 3*, 4* GERM 2*+, 3*, 4* HIST 2A, 2B, 4A, 4B, 6A, 6B, 17A***, 17B***, 27, 30A***, 30B***, 31***, 34***, 37 HUM 4, 14A, 14B, JAPAN 2*+, 3*, 4* PHILO 6A, 6B, 40, 45, 50 RELGN 14A, 14B SPAN 2*+, 3*, 4*</p>	<p><u>AREA 4 — SOCIAL and BEHAVIORAL SCIENCES</u> (At least 3 courses, 9 semester units) Courses from at least two disciplines or an interdisciplinary sequence.</p> <p>ANTHR 1, 6 ECON 1A FCS 21 POLSC 1***, 5 PSYCH 1 SOCSC 30 SOCIO 1A, 27, 33</p> <hr/> <p><u>AREA 5 - PHYSICAL and BIOLOGICAL SCIENCES</u> (At least 2 courses required, 7-9 semester units) One Physical Science course and one Biological Science course; at least one must include a <u>laboratory</u>.</p> <p>PHYSICAL SCIENCE COURSES: Courses with a <u>laboratory</u> component are <u>underlined</u></p> <p>ASTRO 1, <u>1L</u> CHEM <u>1A</u>, <u>3A+</u> GEOG 1, <u>1L</u> GEOL <u>1A</u>, 10+ PHSCI 1 PHYSC <u>2A+</u>, <u>4A+</u>, <u>10+</u> PLANT <u>14</u></p>	<p><u>AREA 5 - (Continued)</u></p> <p>BIOLOGICAL SCIENCE COURSES: Courses with a <u>laboratory</u> component are <u>underlined</u></p> <p>ANTHR 2, <u>2L</u> BIOL <u>1</u>, <u>8+</u>, <u>11</u> PLANT 10, <u>10L</u></p> <p>LANGUAGE OTHER THAN ENGLISH Proficiency equivalent to two years of high school study in the same language. Effective - Fall 1998

NOTICE TO STUDENTS

Selection of courses from this list may be affected by one or more factors, including choice of major, university transfer requirements, or prerequisite or sequencing requirements. Failure to plan appropriately WILL adversely affect timely graduation and/or transfer. Students are encouraged to see a counselor or academic advisor in developing an individual education plan. (Counseling Office, Danner Hall 205, (209) 954-5650).

- * Course may be listed in more than one area, but shall not be certified in more than one area.
- + Transfer credit may be limited by UC or CSU, or both. Students should consult a counselor for additional information.
- ** Satisfies the American Cultures requirement at UC Berkeley.
- *** Courses which satisfy the American Institutions Requirement. These courses may not also be used to satisfy IGETC area.

PLEASE SEEK ADVICE OF THE COUNSELING AND GUIDANCE OFFICE FOR ADDITIONAL INFORMATION

ASSOCIATE in ARTS DEGREE

Majors Requirement

Minimum of eighteen (18) semester units of course work in approved program of study in a specific discipline.

OR

Minimum of nine (9) semester units of course work in a specific discipline and a minimum of nine (9) semester units of course work in related disciplines as specified in the Associate in Arts Major Areas of Concentration List.

OR

Fulfillment of the lower-division graduation requirements for any accredited baccalaureate institution.

General Education Requirements

Minimum of twenty-four (24) semester units of general education courses as prescribed in the San Joaquin Delta College Associate Degree General Education pattern.

OR

California State University lower division General Education pattern.

OR

Intersegmental General Education Transfer Curriculum (IGETC) pattern.

OR

San Joaquin Delta College Associate Degree in Nursing Program requirements.

Unit Requirement

A minimum of sixty (60) semester units of course work with a 2.00 ("C") average or higher.

Competency Requirement

A minimum competency must be demonstrated by a grade of "C" or higher in courses offered in satisfaction of written communication and quantitative reasoning.

Residence Requirement

Of the minimum required sixty (60) semester units, the student must complete at San Joaquin Delta College:

1. The last twelve (12) semester units and attend during the semester of qualification for graduation.

OR

2. A total of at least twenty-four (24) units.
3. Units earned through Credit by Examination do not apply as residency units.

ASSOCIATE in ARTS DEGREE

Major Areas of Concentration

A minimum of (18) units of course work as identified in the areas below excluding those courses identified as not applicable toward the associate degree.

AGRICULTURE (TOP 01)

Agriculture Technology and Sciences, General (TOP 0101.00)

Any combination of courses from the Agriculture Business, Agriculture Engineering, Plant Science, Animal Science, and Ornamental Horticulture departments.

Natural Resources (TOP 0115.00)

Any combination of courses in forestry, conservation, park management, and wild-life management.

BIOLOGICAL SCIENCES (TOP 04)

Natural (Life) Science, General (TOP 0401.00)

Any combination of courses from the Biology, Botany, Microbiology, and Zoology departments.

BUSINESS and MANAGEMENT (TOP 05)

Business and Commerce, General (TOP 501.00)

Any combination of courses from the Business and Business Information Management departments.

COMMUNICATIONS (TOP 06)

Communications, General (TOP 0601.00)

Any combination of courses from the Drama, English, Journalism, Broadcasting, and Speech departments.

COMPUTER and INFORMATION SCIENCE (TOP 07)

Computer and Information Science, General (TOP 0701.00)

Any computer or data entry courses.

EDUCATION (TOP 08)

Special Education, General (TOP 0808.00)

Any special education courses.

Physical Education (TOP 0835.00)

Any combination of courses from the Athletics and Physical Education and Recreation departments.

ENGINEERING and RELATED INDUSTRIAL TECHNOLOGIES (TOP 09)

Engineering, General (requires Calculus)(Transfer) (TOP 0901.00)

Any combination of courses from the Electrical Technology, Electron Microscopy, and Mechanical Technology departments.

Electronics and Electric Technology (TOP 0934.00)

Any combination of courses from the Electrical Technology, Electron Microscopy, and Electronic Technology departments.

Electron Microscopy (TOP 0934.70)

Any electron microscopy courses.

Printing and Lithography (TOP 0936.00)

Any print technology courses.

Diesel Technology (TOP 0947.00)

Any diesel technology courses.

Automotive Technology (TOP 0948.00)

Any automotive technology courses.

Construction Crafts Technology (0952.00)

Any construction technology courses.

Technical Education (TOP 0999.00)

Any combination of courses from Automotive Technology, Construction Technology, Diesel Technology, Electrical Technology, Engineering Technologies, Printing Technology, Industrial Technology, Electronic Technology. Mechanical Technology departments.

FINE and APPLIED ARTS (TOP 10)

Fine Arts, General (TOP 1001.00)

Any combination of courses from the Art, Music, Drama, Dance, Photography, and Graphic Arts departments.

Art (Painting, Drawing, and Sculpture) (TOP 1002.00)

Any art courses.

Music (TOP 1004.00)

Any music courses.

Dramatic Arts (TOP 1007.00)

Any drama courses.

Dance (TOP 1008.00)

Any dance courses.

Photography (TOP 1011.00)

Any photography courses.

SECTION II, Part II — Instructional Programs

FOREIGN LANGUAGES (TOP 11)

Foreign Languages, General (1101.00)

A concentration of more than one foreign language without giving full major emphasis to any one language, e.g., minimum of 12 units in one foreign language and 6 units in another.

French (TOP 1102.00)

Any French courses.

German (TOP 1103.00)

Any German courses.

Italian (TOP 1104.00)

Any Italian courses.

Spanish (TOP 1105.00)

Any Spanish courses.

Russian (TOP 1106.00)

Any Russian courses.

Chinese (TOP 1107.00)

Any Chinese courses.

Japanese (TOP 1108.00)

Any Japanese courses.

Greek (TOP 1111.00)

Any Greek courses

Arabic (TOP 1112.00)

Any Arabic courses.

Filipino (TOP 1117.10)

Any Tagalog courses.

HEALTH PROFESSIONS (TOP 12)

Health Professions, General (TOP 1201.00)

Any combination of courses from the Health Education and Health Science departments.

Nursing, R.N. (TOP 1203.00)

Any nursing courses.

Nursing, L.V.N. (TOP 1203.20)

Any nursing courses

Psychiatric Technology (TOP 1239.00)

Any psychiatric technology courses.

Radiological Technology (TOP 1225.00)

Any radiologic technology courses

CONSUMER EDUCATION AND HOME ECONOMICS (TOP 13)

Consumer Education and Home Economics (TOP 1301.00)

Any combination of courses from the Family and Consumer Sciences, Food Technology, and Home Economics departments.

Culinary Arts (TOP 1306.30)

Any culinary arts courses.

HUMANITIES (Letters) (TOP 15)

English (TOP 1501.00)

Any combination of courses from the English and Reading departments.

MATHEMATICS (TOP 17)

Mathematics, General (TOP 1701.00)

Any mathematics courses

PHYSICAL SCIENCES (TOP 19)

Physical Sciences, General (TOP 1901.00)

Any combination of courses from the Physical Science, Physics, Chemistry, Astronomy, and Geology departments.

PSYCHOLOGY (TOP 20)

Psychology, General (TOP 2001.00)

Any psychology courses.

PUBLIC AFFAIRS and SERVICES (TOP 21)

Administration of Justice (TOP 2105.00)

Any administration of justice courses.

Fire Control Technology (TOP 2133.00)

Any fire science courses.

SOCIAL SCIENCES (TOP 22)

Social Sciences, General (TOP 2201.00)

Any combination of courses from the Anthropology, Economics, Education, History, Political Science, Psychology, Social Science, and Sociology departments.

INTERDISCIPLINARY STUDIES (TOP 49)

Liberal Arts and Sciences, General (Transfer Major) (TOP 4901.00)

Fulfillment of the lower-division requirements for any institution to which transfer is planned.

Biological and Physical Sciences (TOP 4902.00)

Any combination of courses in anatomy, physical anthropology, astronomy, bacteriology, biology, botany, chemistry, electron microscopy, geology, mathematics, microbiology, natural resources, physical geography, physical science, photography, physics, physiology, and zoology.

Humanities (TOP 4903.00)

Any combination of courses in art, dance, drama, history, humanities, languages, literature, music, philosophy, religion, and civilization.

ASSOCIATE in SCIENCE DEGREE

Majors Requirement

Minimum of eighteen (18) units of course work in an approved program of study in a specific discipline.

General Education Requirements

Minimum of twenty-four (24) semester units of general education courses as prescribed in the San Joaquin Delta College Associate Degree General Education pattern.

OR

California State University lower division General Education pattern.

OR

Intersegmental General Education Transfer Curriculum (IGETC) pattern

OR

San Joaquin Delta College Associate Degree in Nursing Program requirements.

Unit Requirement

A minimum of sixty (60) semester units of course work with a 2.00 ("C") average or higher.

Competency Requirement

A minimum competency must be demonstrated by a grade of "C" or higher in courses offered in satisfaction of written communication and quantitative reasoning.

Residence Requirement

Of the minimum required sixty (60) semester units, the

student must complete at San Joaquin Delta College:

1. The last twelve (12) semester units and attend during the semester of qualification for graduation.

OR

2. A total of at least twenty-four (24) units.
3. Units earned through Credit by Examination do not apply as residency units.

ASSOCIATE in SCIENCE DEGREES 1998-99

<u>TOP Code</u>	<u>Degree Major</u>
1203.00	Associate Degree Nursing

E TECH 47	Control Systems	2
•ECON 1A	Principles of Economics (Macro)	3

Total Units Required: 70

•Recommended General Education electives

••Recommended General Education Mathematics elective OR another mathematics elective among MATH 31, 36, 1, 2, 3, 4, 5.

Major in NURSING Associate Degree Nursing (ADN)

Prerequisites		Units
ANAT 2	Anatomy and Physiology	6
MICRO 2	Introduction to Medical Microbiology	4
FCS 6	Nutrition	3
 <u>First Semester</u>		
NURS 1	Fundamentals of Nursing	4.5
NURS 2	Introductory Medical-Surgical Nursing	4.5
NURS 3	Administration of Medications	3
ENG 1A	Written Communication	3
 <u>Second Semester</u>		
NURS 4	Beginning Medical-Surgical Nursing	5.5
NURS 5	Mental Health Nursing	4
PSYCH 1	Introduction to Psychology	3
SOCIO 1B	Problems of a Changing Society	3
 <u>Third Semester</u>		
NURS 6	Nursing the Childrearing Family	4
NURS 7	Intermediate Medical-Surgical Nursing	5.5
SPCH 1A	Fundamentals of Speech	3
 <u>Fourth Semester</u>		
NURS 8	Nursing the Childbearing Family	4
NURS 9	Advanced Medical-Surgical Nursing	5
•ELECTIVE	See Group 1	3
••HUM	See Group 2	3 - 5

Total Units Required: 71 - 73

•Group I (Electives)

(one course from the following)

HIST 17A	History of the U. S.	3
HIST 17B	History of the U. S.	3
HIST 27	Women in History	3
HIST 30A	African-American History	3
HIST 30B	African-American History	3

••Group 2 (Humanities)

(minimum of 3 units from the following)

ANTHR 4	Introduction to Linguistics	3
FOR LANG 1	Elementary	5
FOR LANG 51	Elementary	2.5
FOR LANG 52	Elementary	2.5
PHILO 6A	Introduction to Philosophy	3
PHILO 6B	Introduction to Philosophy	3

NOTE: All non-nursing courses may be taken prior to admission to the Nursing program.
